the Bhasya or commentary of Adi Shankarācharya the only legitimate one on the sacred texts of ADVAITA VEDANTA

Adi Shankarācharya - everyone it seems has heard of Buddha yet almost no one in the West knows of Shankarā - it goes to show our ignorance of our wonderful inheritance of the wisdom of the ages. The avatars that embodied & taught - none in my humble opinion w/ the sagacity the total clarity of one who restored the lineage over a sitting this for world's greatest teacher of Advaita Vedanta

Last of the last leads to first of the next :

of Advaita Vedanta, preventing Buddhism from gaining prominence in India - yes mass were, forgot over this fundamental difference of the path, for there is no path to that I am maker in his self 33 yr. life kept this subversion of satguru from spreading as it did elsewhere, perhaps Buddhism is closer to our Western ethos?

34 **श्रुत्या** - an **arya** was a respectable or honorable or faithful man - regardless of race, ethnicity, or era so we have this historical race of folks that migrate name sake) (is the only comment on advaita Vedanta - acceptable out of Central Asia into India, Persia, Europe - these are the folks who brought the Vedas

If the problem were real, then it would be a problem. (problem of soul or not)

Vedas are originally orally transmitted books on various topics from medicine, math, metallurgy, astronomy, etc. [Knowledge of Reality of that I am]

Always slim & hard to find whereas so-called metaphysical books tend to be thick & plentiful

When looking for Brahmavidya - beware of thick books

A car horn's metallic bleat rips

It's a gas or a liquid, even solid - Did

... fool that I am

A

Once you realize the letter code, you'll never be fooled by words

U

You see A you realize Atman wherever you see an A seeing is realizing that I am always

O THE FOOL

You know how sweet it is rooted in sounds that have meaning? Sing baby All language using Roman letters is rooted in esoteric meaning for each letter = Yod = Iota = That I am starting: ending is / Brahmawman

MAAT = ATMA
← Aleph / Aten
Do you want Atman to talk about or see it
evolution toward Aleph

Alpha K you ain't got aten, you got nuffin
Hieroglyphic Aten Hieratic Aten

That I am is that one thing
"As a symbolic image, it (the aleph) represents universal man, the human race. The dominate being of earth (Atkenaten / I am aten (that)). In its hieroglyphic sense it characterizes unity, the central point, the abstract principle of one thing [Re]"
